EXAMINER'S AMENDMENT

An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Eve Frank on February 5, 2004.

The application has been amended as follows:

In claim 16, line 5, [preventing or] has been deleted.

In claim 64, line 3, the comma [,] after "fusion protein" has been deleted and --of claim 16-- has been inserted after "fusion protein".

In claim 64, line 5, [preventing or] has been deleted.

In claim 65, line 1, [preventing or] has been deleted.

The following is an examiner's statement of reasons for allowance:

In the declaration submitted by Dr. John Nieland on December 30, 2003, the data clearly indicates that the instant fusion protein treats papillomavirus tumors.

The requirement for the double negative language in claim 16 has been withdrawn because there is support in the disclosure on page 1, lines 7-8. On page 4, line 24 to page 5, line 5, the specification defines and provides examples of what is intended by papillomavirus unspecific epitopes. While it is clearly evident that misformed papillomavirus epitopes that

Art Unit: 1648

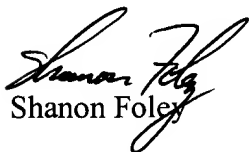

cannot effectively induce the appropriate immune response are excluded, papillomavirus epitopes that are cross-reactive with other substances, are also excluded from the claims since any cross-reactivity would contradict the required papillomavirus specificity.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."

Any inquiry concerning this communication or earlier communications from the examiner should be directed to Shanon Foley whose telephone number is (571) 272-0898. The examiner can normally be reached on M-F 9:30 AM - 6:00 PM.

If attempts to reach the examiner by telephone are unsuccessful, the examiner's supervisor, James Housel can be reached on (571) 272-0902. The fax phone number for the organization where this application or proceeding is assigned is 703-872-9306.
